

# KATY BASKETBALL ASSOCIATION

Est. 2003

**Katy Basketball Association (KBA)**, formed in 2003, is an umbrella organization supporting boys and girls competitive basketball teams 9u through high school eligible in the Katy area and beyond. Our objective is to provide an opportunity for players to develop and improve their basketball knowledge and skills to compete at the highest level and to develop their education and character. KBA has enjoyed steady growth and success; in 2007, our 16u team won the Basketball Congress International national championship. As a non-profit 501(c)(3) organization and AAU member, KBA is directed by an all volunteer staff who give many hours of their personal time to the players, families, and the organization.

## FAQS

1. KBA is not a recreational league. It is for players and families who are committed to competitive basketball.
2. Quality professional coaches.
3. Most teams operate from March through July.
4. Most teams practice twice per week, two hours each practice in Katy area gyms.
5. Most teams play 8-10 tournaments, generally in the greater Houston area.
6. Most tournaments include 3-5 games, Friday through Sunday.
7. Cost varies from \$400-\$1000 per player. Scholarship opportunities are available.

8. To get started, come to the evaluation and tryouts. It is recommended that you come to both.
